Siro Privacy Screen

Do you want

- Privacy screen?
- Windbreak?

Then you need the **Siro**

The **Siro** has been designed for maximum durability. All visible metal parts are powdercoated aluminium and all bolts are stainless steel.

The **Siro** can operate at any angle – even vertically.

When you need privacy from those nosy neighbours for a bit of fun, just pull it out.

When it gets a bit breezy it's ideal to keep the wind off you and your friends.

Maximum Height 2000mm

Maximum projection 4000mm
